**REF.: CELEBRATING TOGETHER SOKA'S UNIVERSITY 50TH ANNIVERSARY**

On behalf of Universidad del Valle - Bolivia, we are proud to share with Soka University its goals of fostering globally capable individuals who can contribute to the greater benefit of humanity.

Once we said: *"We are confident by having students of both countries to experience our different cultural backgrounds for more than 20 years, we are educating more tolerant individuals"*.

In these 50 years of your existence, we are more than convinced to state that Soka University has become **"A fortress for the peace of humankind"** and want to celebrate together this gratified moment with your University community and friends, side by side, with the commitment of 50 more years to come.

Finally, I want to thank you personally for having let us be part of this endeavour.

Yours sincerely,

Eng. M.Sc. Gonzalo Ruiz Ostria  
**Rector**

*"The institutional mission is the spreading and propagation of knowledge, through which we will obtain our vision: a country with greater social welfare".*
