Commemorative Project Executive Committee

To Soka University:

Congratulations to Soka University and the wider Soka Gakkai community as you celebrate 50 years since Soka University opened its doors. Soka University has produced thousands of graduates who are contributing to ongoing peace of humanity, excelling in their careers and thriving in their communities.

The success Soka University has brought to its students and the global community is remarkable and I applaud the work and effort of all faculty, administration and students who are committed to building peaceful and sustainable societies throughout the worlds.

I commend you for 50 years of success and I am hopeful of your lasting legacy.

All the best always,

Dr. Jose V. Abueva  
Former President of the University of the Philippines  
Founder and former President of Kalayaan College
