*President Baba,*

Dear President Baba,

On behalf of National Taiwan University, I am delighted to congratulate Soka University on its 50 years of passion in research and education. Soka University's dedication to humanistic education and global peace vitally corresponds with the values we uphold dearly at NTU.

We at NTU are enormously honored to call Soka University our partner for more than twenty years. It is my strong belief that our instrumental and longstanding collaborations will prosper further in the years to come.

Please accept my best wishes for a joyful and memorable celebration.

Yours sincerely,
