2. Annual Household Income

Write the total household income for last year. In principle, household income refers to those of the parents. The household income will be converted to Japanese currency based on the end of the year of **2025** dollar-yen central rate in Tokyo Foreign Exchange Market.

Total Annual Household Income	Please write using your local currency (USD, KRW, CNY , etc.):	512,250 CNY
----------------------------------	--	-------------

Statement

Income of the father: 512,250 CNY Income of the mother: 0 CNY

- “Income” refers to the net amount that is received **before** tax deductions are taken out.
- You must submit annual income from **both** of your parents. Please attach the documents that show the annual income, such as a certificate for income tax.
- In the case of one of your parents has no income, you **must** attach an official document of no income.
- *If you are unable to provide documentation showing no income, your scholarship application will not be accepted.

I hereby certify that the above information is true and correct. We apply for the Soka University's tuition fee reduction. And if we discover a false statement, we will request the scholarship refund.

Date (year/month/date): 2025/5/3 Applicant (signature): _____

*Personal information provided to Soka University will be used for administrative and communication purposes only. The Soka University will handle all information in accordance with the university's regulation on the protection of personal information.
