⊙Required Courses ○Elective Required Courses △Elective Courses  
 ※「x」 in "Open to other Faculties" column indicates that the course is only available for FILA students  
 ※No 「x」 indication in "Open to other Faculties" column means that the courses are open to students in other faculties on the conditions that they possess a TOEFL iBT score of 70 or higher and the number of enrolled students does not exceed the enrollment capacity.  
 ※Coordination A indicates a course coordinated by FILA and the Faculty of Economics, Coordination B, a course by FILA and the Faculty of Law, Coordination C, a course coordinated by FILA and the Faculty of Business Administration, Coordination D, a course coordinated by FILA, the Faculty of Law, and the Faculty of Business Administration, and Coordination E, a course coordinated by FILA, the Faculty of Economics, and the Faculty of Law.  
 Note 1. If students have a TOEFL iBT score of 90 or higher, or IELTS score of 7.0 or higher (scores in all sections must be 6.5 or higher) at time of enrollment, they are given credits (12 credits in total) for these courses.
