8. Announcement of Admissions

Thursday, January 16, 2020; 11:00 a.m. Japan Standard Time

One of the following three admissions results will be notified by e-mail to each applicant:

- (1) Admission approved Admission to graduate school from the following April 2019 approved.
- (2) Admission declined Screening indicated that the applicant does not meet the criteria for admission.
- (3) Ineligible to apply The applicant was deemed ineligible for admission to graduate school.

Notes:

1. The university will send an acceptance notice and related documents to applicants whose admission is approved.
2. The university will not reply to any inquiries relating to the results of the screening process received by telephone or postal mail.

9. Procedure for Payment of Fees

Applicants approved for admission should complete the admissions procedure and pay admission and tuition fees, etc., within the time limits prescribed below. The university will provide further written details when announcing admissions.

(1) Payment of Admission Fee

Admission fee: JPY 200,000

Monday, January 20 to Thursday January 30, 2020

(2) Payment of annual tuition and other tuition fees

Annual tuition, etc: JPY 860,000

Thursday, February 20 to Thursday, February 27, 2020

Tuition Fees for 2019 Academic Year Fall Semester (for reference only)

Please note: The admission fee is JPY 100,000 for Soka University graduates and those who completed the Japan Studies Center program, graduated from the Division of Correspondence Education, or completed an advanced information systems technology course at Soka University.

(3) Points to Note

- (1) If you do not complete the necessary procedures for payment during the time limits stipulated above, the university will revoke its approval of your admission.
- (2) Ensure that you pay your annual tuition and other fees in full during the time limits given. You may choose between making one payment (a lump-sum payment during the admissions procedure stipulated in (2) above), or two payments (in two installments, one during (2) above, and one during the second semester).
- (3) The amount payable for health expenditure may be amended in line with actual circumstances.
- (4) If you decide not to enter the university for personal reasons following completion of the admissions procedure, the university will return to you the annual tuition, etc., excluding the admission fee. However, this applies only if you notify the university by the day before your entrance ceremony.

10. Other Matters

(1) Applying for a Certificate of Eligibility for Residence Status and Obtaining a Visa

In principle, non-Japanese applicants need to obtain student residence status once their admission to the university has been approved. After acceptance to the university, prospective students need to complete the procedures to acquire residence status, enter, and reside in Japan.

- Application by the university on your behalf

The university will apply for a Certificate of Eligibility on your behalf. Please submit the Checklist for Certificate of Eligibility Application (using the form provided by the university) during the admissions procedure. Be aware that the university will not apply for a Certificate of Eligibility for you if you do not submit this checklist.

- Certificates of Eligibility are approved by the Ministry of Justice, and the university cannot assume any responsibility in situations where approval is denied.
- Even if the university applies on your behalf, the Ministry of Justice may require you to submit certificates or other documents as necessary.

(2) Scholarships for International Students

Academic Fee Exemption

At Soka, international students are granted full exemption from academic fees (not including the admission fee and registration fee). Applicants who wish to receive exemption shall apply for the Exemption. Submit the Soka University International Student Application for Academic Fee Exemption and attach official documents issued by public agencies stating the household income and income tax information for the most recent 1 year (*1).

*1: "Most recent 1 year" refers to 2018 (January to December)

* In principle, household income refers to those of the father and mother or an individual other than a parent if that supporter is primarily financing the household.

- Scholarship application results will be notified jointly with admission decisions to granted applicants only.
- After enrollment, a review of exemption for the subsequent academic year will be conducted yearly. Depending on the grades, exemption may not be granted for the subsequent year.
- Academic Fee Exemption can be granted for the duration of the standard term (2 years) at most.
