● Application by the university on your behalf

The university will apply for a Certificate of Eligibility on your behalf. Please submit the Checklist for Certificate of Eligibility Application (using the form provided by the university) during the admissions procedure. Be aware that the university will not apply for a Certificate of Eligibility for you if you do not submit this checklist.

- Even if the university applies on your behalf, the Ministry of Justice may require you to submit certificates or other documents as necessary.

(2) Scholarships for International Students

● Academic Fee Exemption

Soka University offers a system of full tuition exemption (excluding admission fee and registration fee) to international students enrolled in the graduate school.
