

# Instructions for Student Annual Medical Checkup 2018

## 【 Information on re-examination 】

Students who need to take a re-examination must visit Health Care Center. Please note that until you take the re-examination, your health certificate is not available via PapyrusMate, a certificate issuing machine.

■Date : 4/10(Tue.), 11(Wed.),  
17(Tue.), 18(Wed), 19(Thu)  
9:30~11:00 / 12:30~16:00

■Place : Health Care Center  
( B1F, East tower, GLOBAL SQUARE )

■Item : Urine test • Blood pressure •  
Vision test • Examination by a Physician\*

※ If your health check result requires you to take a re-examination by a physician or to obtain a recommendation letter from a doctor, you must check if a physician is available prior to your visit to Health Care Center.

Way of the  
Health Care  
Center

## 【 Result of Medical Checkup 】

The result of the medical checkup is available on the portal site from late May to March 31, 2019 by logging in to the PLAS PORTAL and click LEARNING ASSISTED SERVICE. (Please note that a printed result will not be acknowledged as an official health certificate)

## 【 About Health Certificate 】

A health certificate will be available from late May to March 31 2019 only for students who complete all required medical checkup items.
