

Announcement

April, 2017

1 . Regarding the continuation of acceptance of daycare enrollment applications for FY 2018

At the Soka University Tsubasa Child Care Center, the enrollment ceremony was held on April 3. For the seven slots allocated for the University, three new children were accepted and became a total of eight total enrolled at the Child Care Center.

As the quota (seven children) for the University is still unfilled, we will continue to accept applications until all slots are filled.

For those wishing to apply for enrollment, please notify the Personnel Department of the Soka University.

2 . Regarding the change of department in charge of administration

From April 1, 2018, the department in charge of administration regarding the Tsubasa Child Care Center changed from the Faculty Affairs Department to the Personnel Department.

For inquiries about the Tsubasa Child Care Center, such as enrollment and temporary child care, please contact the Personnel Department (Mr. Hojo, ext. 2630).
