

Instructions for Student Annual Medical Checkup 2019

【 Information on re-examination 】

Students who need to take a re-examination must visit the Health Care Center. Please note that until you take the re-examination, your health certificate will not be available via PapyrusMate, a certificate issuing machine.

■Date : 4/9(Tue.), 10(Wed.),
16(Tue.), 17(Wed), 18(Thu)
9:30~11:00 / 12:30~16:00

■Place : Health Care Center (B1F, East tower, GLOBAL SQUARE)

■Items : Urine test / Blood pressure /
Vision test / Examination by a Physician*

* If your health check result requires you to take a re-examination by a physician or to obtain a recommendation letter from a doctor, you must check if a physician is available prior to your visit to Health Care Center.

【 Results of Medical Checkup 】

The results of the medical checkup is available on the portal site from late May to March 31, 2020 by logging in to the PLAS PORTAL and clicking LEARNING ASSISTED SERVICE. (Please note that a printed result will not be considered as an official health certificate)

【 About Health Certificate 】

A health certificate can be issued from late May to March 31 2020 (while PapyrusMate is available) only for students who complete all required medical checkup items.
