2. IMMIGRATION PROCEDURE

Those with a foreign citizenship must obtain a Student Visa. Soka University will apply for the Certificate of Eligibility for Resident Status (hereinafter “COE”) from the Ministry of Justice of Japan on your behalf, based on the information sent by the time of the application.

The COE is expected to be emitted by the Immigration Bureau at the end of July, and it will be sent together with other important documents to your home university.

In order to apply for the student visa, you must check the Japanese embassy or consulate webpage to find the necessary documents. As the process in requesting a visa varies from country to country, please ensure that all necessary steps are taken in accordance with your country’s procedure.

3. INTERNATIONAL DORMITORIES

Soka University has six dormitories for international students. These facilities focus on creating a proper environment for students to develop cooperation and autonomy skills while living together with students from all parts of Japan and the world. By the time of arrival, it might be difficult to adapt into an environment with diverse cultures, habits and opinions, but it is possible to overcome everything through cooperation and create deep bonds of friendship by the time of dormitory graduation.

Note that the dormitories for exchange students are set as below:

3.1 Applying for International Dormitories

Please access the URL below and fill in the form (male students only). Please note that due to the amount of applications, we may not be able to fit all students in the desired dormitories, thus we would like to ask for your comprehension.

Dormitory Application

Japanese/English:  https://forms.gle/1VGnucnh5drgndFq8

Chinese:  https://www.wjx.cn/jq/39971164.aspx

Deadline: Thursday, June 6, 2019

3.2 Points to note on International Dormitories

- Each dormitory has its own rules on curfew, shower time, cleaning time, etc.
- As a shared space, please respect the rules

Rules on dormitory lifestyle

- Students already living in any dormitory are not allowed to move into another one.
- Dormitories have curfews. Curfew for male dormitories is at 00:00, and for female dormitories it is at 23:00.
- Students themselves are in charge for the cleaning of the dormitories.
- As a rule, only those living in the dormitory can enter in the building. However, the dormitories have a space to welcome visitors (please check the details after entering in the dormitory).

On the facilities of each dormitory

- Each dormitory has its own specific time for using the shower room and the bath room.
- Coin laundries and dryers are available.
- It is not possible to purchase a landline phone. We recommend you to bring your own mobile phone or purchase one after arriving in Japan (you must make the contract by yourself).
- Dormitories have the University’s Wi-Fi network installed. However, due to security reasons some pages may not be accessible.

About alcohol and tobacco

In Japan, no one younger than 20 years old is allowed to smoke or drink alcohol. Given that most of the Japanese students living in the dormitories are younger than 20 years old, smoking and drinking in the dormitories is prohibited. In international dormitories, however, drinking and smoking are allowed under the following rules:

- Smoking is only allowed outside the dormitory building in the “smoking area”.
- Alcohol is only allowed in the bedrooms, and only in the following dormitories: Hoyu, Takiyama International and Manyo International.
On bedding
Soka University will lend bedding (mattress, pillow and cover) to exchange students. You must return them before you leave the dormitory.

4. ARRIVAL IN JAPAN

4.1 Regarding the arrival in Japan

About the arrival day
Please arrive in Japan by September 4 (Wed). The Orientation Session (please refer to page 20) is scheduled to be held in the morning of September 5 (Thu), therefore please arrive in Japan before this day.

About entering the dormitory
Entrance in the dormitory will be on September 3 (Tue) and 4 (Wed). If you are arriving prior to this date, you must provide accommodation (hotel, hostel, etc.) by yourself.

About the flight ticket booking
In case your Japanese student visa is delayed, your arrival to Japan will have to be postponed. Before booking a flight ticket, please check carefully any fares related to change of day, etc. Furthermore, in case you have a connecting flight in a different country, a transit visa might be necessary, therefore, please check all the requirements beforehand.

About the “Permission to other activities” at the Immigration Inspection
Those holding a “Student” visa willing to engage in part-time job or volunteer and other activities must apply for obtaining a permission called “Permission to Engage in an Activity Other Than That Permitted by the Status of Residence Previously Granted”. We recommend that you apply for the permit during your immigration inspection upon arriving at Haneda or Narita airport, since you can receive the permit on site. If the permission is granted, your Residence Card will be stamped as below:

4.2 Free shuttle bus (airport pick-up service)
Newly admitted students requesting pick-up service within the dates displayed below must arrive either in the Narita or Haneda airport on the dates written below. Soka University will provide direct buses (free) leaving from both airports to the campus, therefore please try to arrange a flight that arrives early enough to take the bus.

Airport pick-up days: September 3 (Tue) and 4 (Wed)
Furthermore, when submitting your Arrival Information, please check the bus departure time table and indicate which bus you would like to take. It takes about 1.5 to 2 hours from the plane landing to the meeting point inside the airport, including immigration procedure and luggage claim lines. Thus, please choose a bus that departs at least 2 hours after your arrival in Japan. Please note that in case your flight is delayed, you may not be able to take the desired bus.

**About direct buses**

The gathering time to take the direct bus and meeting point location are available below. Please do not be late. Soka University staff will be there to conduct you to the direct bus. Please note that the bus time may vary according to traffic conditions.

Immunization for Measles and Rubella

For incoming international students,

In 2007, measles were rampant among high school and college students in Japan. In order to prevent group infection, students are required to gain sufficient immunity before entering college.

You are required to meet at least one of the following conditions before enrollment:

1. In the past, I received vaccination for measles and rubella twice or more each.
2. My antibody tests for measles and rubella were both positive, before the move-in.
3. In 2007 or after, I received vaccination for measles and rubella.
4. In 2007 or after, I was diagnosed with measles and rubella.

Frequently Asked Questions:

Q1. What if I cannot receive vaccination because of allergies?
   ● Please take antibody tests for measles and rubella.

Q2. If I were to take antibody tests for measles and rubella, what should I do next?
   ● If the test result is “negative”, “plus and minus”, or “positive and negative”, vaccination is required for each.

Q3. If I were to receive vaccinations at a medical institution (hospital, clinic, etc.), what should I do?
   ● Ask the medical institution before going whether the vaccinations are available. There are vaccines for “Measles”, “Rubella”, “MR vaccine (Measles and Rubella)”, “MMR vaccine (Measles, Mumps, and Rubella)”. If you take the MR vaccine or MMR vaccine, the vaccination can be done in one session.
   ● Depending on the medical institution, you may be recommended to take the antibody tests first. In that case, please take the antibody tests, and then please receive necessary vaccinations based on the results. The antibody tests refer to testing of whether you have immunity against the diseases. It can take several weeks or longer to get the results, so please consult the medical institution as soon as possible.
   ● If you keep a record of the medical checkups, it would be helpful for you.

Please submit this questionnaire by Sunday, June 30, 2019
