

# 《創価大学の外国人学生用奨学金について》

●English announcement follows.

## 1. 創価大学外国人学生学費減免奨学金

1. 対象：

- ・本学の大学院に在籍する私費外国人留学生（標準修業年限を越える者は対象外）
- ・一定の条件（海外に在住しその国の国籍や永住権・市民権又はそれに準ずる資格を持つ保護者が扶養する日本国籍を有する）を満たす日本国籍の学生

2. 人数及び金額：

- ・人数：有資格者全員
- ・減免額：大学院生は一律学費全額免除

※学費とは授業料・教育充実費・実習費のこと。入学金、在籍料等は別途徴収する。

3. 減免期間：2022年度（1年間）

4. 応募資格：以下2つの条件を両方満たすこと

- （1）成績・人物ともに優秀であること。（別表1の成績基準を満たす者）
- （2）経済的理由により、学業の継続が困難である者。

5. 注意事項：学費・寮費等の滞納がある学生は奨学金の支給を打ち切る可能性がある

## 2. 創価大学牧口記念教育基金会留学生奨学金

3月下旬～4月上旬（予定）に募集に関するガイダンスを行いますので、希望者は参加して下さい。

# 《Details of the International Students Scholarships》

## 1. Soka University Academic Fee Exemption Scholarship for International Students

### 1. Candidacy for the Scholarship

- International students who are enrolled in the Graduate School of Soka University and are self-financed can apply. It does **NOT** apply to students who have exceeded the standard length of enrollment.
- Japanese national students dependent to a parent who resides outside of Japan and possess citizenship, permanent residency, or a corresponding right of that country or territory can apply.

### 2. Recipients and Scholarship Amount

- Number of recipients: All students meeting the eligibility standards can receive scholarship.
- Amount of exemption: Graduate School students are eligible for full exemption of academic fees.

\*The academic fees exempted in the scholarship refer to tuition, school fees, and laboratory fees, **NOT** admission fee, or registration fee.

3. Exemption Period: The exemption is applied for the 2022 academic year.

### 4. Eligibility Requirements

- ① The candidate demonstrates excellent academic performance and good character, meeting the academic achievement standards in the table below (★TABLE 1)
- ② The candidate is experiencing difficulty in continuing enrollment because of financial strain.

### 5. Delinquency in Payment of Fees:

If the recipient fails to pay necessary school fees or housing fees, the scholarship may be halted.

## 2. Soka University Makiguchi Foundation for Education Scholarship for International Students

After your enrollment, an orientation regarding this scholarship will be held during late March to early April, 2020. If you wish to apply, please attend the orientation.

(★TABLE 1) Academic Achievement Standards  
Academic Achievement Standards

| Program   | Year | Academic Standards   |
|---|------|--|
| Graduate School:<br>Master's and former period<br>Doctoral Programs | 1    | Admission itself is deemed meeting the academic standards.   |
|   | 2    | Each issue in Graduate School code 29 – 1 is met.  |
| Graduate School:<br>Doctoral Program                                | 1    | Admission itself is deemed meeting the academic standards.   |
|   | 2    | 4 or more credits have been earned per year in the Graduate School of Economics, Law, or Letters. For Engineering, the student is registered for the designated amount of credits. |
|   | 3    |  |

\* Graduate School Code 29

Students of Doctoral Program and Master's Program may submit their dissertations if they fall under one of the following requirements stipulated by each graduate school:

- (1) A student who has studied under the Graduate School of Economics, Graduate School of Law, Graduate School of Letters, or Graduate School of International Peace Studies for more than one year (two semesters) and has completed more than 20 credits.
- (2) A student who has studied under the Graduate School of Engineering for more than one year (two semesters) and has completed more than 20 credits.
- (3) A student who has studied under the Doctoral Program for more than two years (four semesters) and has completed more than six credits.
