

Announcement Regarding the 52nd Entrance Ceremony for New Students

Many congratulations on your admission. We would like to extend our heartfelt welcome to all new students.

As announced to the guardians, due to the coronavirus widespread, our top priority is the health of all new students and their families. Therefore, it was decided to hold the entrance ceremony only with students' attendance.

We are aware that students and their families have been looking forward to celebrating this meaningful new departure, and this turn of events deeply saddens us. However, we would appreciate your understanding and cooperation.

The ceremony will be streamed online for parents and guardians. (For details, please check the announcement made for parents/guardians)
